FOUNDED 1913

Fall 2009

Dear Friend of William Lawrence Camp,

Our picture this year shows (from left to right) Louis Doig, Junior Unit Leader; Nat Crane, Director; and Scott Giessler, Assistant Director. That's 42 years of Leadership and Loyalty to William Lawrence Camp. And they're not alone. Many of our Campers, Counselors, Trustees and other volunteers have been with us for years..., decades!

Leadership is a skill we teach and nurture. Loyalty, that feeling of devotion, duty or attachment, is something one acquires from being affiliated with that special place we call Camp. Please help us ensure William Lawrence Camp's continuing success as we approach our **100th Anniversary**.

William Lawrence Camp, Inc is a not-for-profit organization. We are **mission-driven**, and our mission is to, "**provide a spirited, challenging and safe environment that promotes self-esteem and the physical, social and intellectual development of boys and young men.**" All money received by the Camp is used to ensure this end.

Money received from tuition goes to the Program, and it's why we have one of the finest, balanced, value-oriented summer camp programs anywhere! Money received from charitable giving goes to Scholarships and Capital Improvements, and that's why we fundraise. Scholarship money allows us to support worthy boys who would not otherwise have the opportunity to go to Camp. Capital Improvement money allows us to maintain and improve the physical plant (like the newest replacement cabin in the Senior Unit) without having to use Program money. We do not carry a large reserve, so please know that your donation will be used!

William Lawrence Camp, Inc is recognized by the Internal Revenue Service as a 501(c)(3) charitable corporation, and all donations are tax-deductible as allowed by law.

We encourage you to visit us on the internet at www.wlcamp.org, and thank you for your support.

Sincerely,

Richard C. Brown, Immediate Past President, Board of Trustees
