December 2023

Dear Friend of William Lawrence Camp,

The 2023 Camp Season was a success, and our enrollment has been steadily increasing since the pandemic, with 72 new campers in attendance this year. This is an impressive feat, given that we had 31 campers "age out." Fortunately, 21 of them graduated from camper to the Leader In Training program.

This year's Annual Fund Drive will ensure a sensational 2024 Camp Season. We have an updated recruiting plan and have several camp equipment improvements and replacements on our list. Some of these items are rarely seen, yet remain important, e.g., well pumps, AV equipment for the Barn, a ride-on lawn mower, and a backhoe. Other items will improve the daily routine for the boys, such as new basketball stanchions and backboards and court maintenance.

The Annual Fund allows William Lawrence Camp to perform major maintenance in the off-season and to upgrade and replace equipment.

We know you will keep WLC in mind as you make your charitable contributions.

- You may make a one-time gift or recurring gifts.
- Please consider joining our 25x25 alumni who have set up recurring donations of \$25 per month for 25 months via the WLC website.
- Did you know WLC has a permanent endowment fund that has been seeded by an alumnus?
- If you are reviewing your estate plans, consider William Lawrence Camp in your planned giving in order to build a strong WLC for future generations.

Thank you for your support, past and present. We are in a strong position because of you, and we are confident that we will remain strong. The WLC Spirit is alive and well!

We wish you and your family and friends continued good health and safety.

With Willingness, Loyalty, Comradeship, and Sportsmanship,
